Summary

I am a dedicated graphic design student proficient in Adobe Creative Suite, Blender 3D, and web development. With a passion for visual problem-solving, I have completed various projects that showcase my creativity and technical skills. Known for my adaptability and collaborative spirit, I am eager to contribute innovative design solutions and enhance user experiences.

Experience

Box Office Administrative Assistant August 2022 - Now
J. Scheidegger Center for the Arts - St. Charles, MO
- Performed retail work for a 1170-seat university theater
- Created marketing materials for digital marquees, signs, and printed materials to increase ticket sales
- Advised on using HTML/CSS for designing email marketing campaigns and event descriptions in our ticketing software

Attendant July 2024 - Now
Fusion 314 Gaming Center - Florissant, MO
- Administrated 20 high-end gaming PCs, ensuring a smooth gaming experience for patrons of all ages
- Designed posters, 3D Printed trophies, and motion graphics resulting in higher gaming tournament attendance
- Directed Fusion 314's 3D Printing service, bringing in additional revenue
